**Honorable Yvonne Brathwaite Burke
Chair, Board of Supervisors
Supervisor, Second District
866 Hall of Administration**

Dear Supervisor Burke:

Today, I delivered the 2003 Property Assessment Roll to the Auditor-Controller. Enclosed is a copy of my Annual Report on the Roll.

The gross roll increase was \$49.9 billion and a 7.5% net increase providing additional revenue to the County. This increase is significantly higher than last year due to exceptionally low interest rates.

I would like to point out that my staff did an excellent job in dealing with a substantial increase in workload caused by a 17% increase in changes of ownership. Additionally, in the first six months of this year, changes of property ownership are up about 10%, and if this continues, we would expect another healthy increase in the roll next year.

I want to thank you for your continued support of this office. If you have any questions, please call me at (213) 974-3101 or you can have your staff contact my Director of Administrative/Roll Services, Gil Parisi, at (213) 974-3121.

Very truly yours,

RICK
